OUR SERVICES

At IAL, we are dedicated to providing exceptional marine services that ensure the safety, efficiency, and reliability of your maritime operations. With years of experience and a team of highly skilled professionals, we offer a comprehensive range of services tailored to meet your specific needs.

Services Include:

- Crane Operations
- Oil & Gas Support
- Offshore Construction Work
- Transfer of Personnel and Cargo
- Dive Support Services
- Salvage Recovery & Removal
- Emergency Response Services

MULTIPURPOSE VESSELS

Our Multipurpose Vessels (MPV'S) are versatile ships that have been design to handle a wide range of marine operations.

These operations included:

Cargo Handling

- Our MPV's can transport diverse cargo such as wood, steel building material, chemicals and machinery.

Heavy Lifting

- Equipped with cranes capable of lifting a capacity of 50 Tons and reaching heights of 80ft.

Shallow Draft

- Suitable for operations in shallow water areas where traditional vessels cannot access.

Lift-on/Lift-off

- Capable of loading and unloading cargo using onboard cranes

Oil and Gas

- Support to the oil and gas industry by transporting equipment and materials.

SEA PORPOISE

Workability

- Propeller Propulsion
- Crane Barge
- Steel Hull
- Anchor Winch & Crane

Main Details

- Deck Area- 1,650 sqft
- Length- 130ft
- Width- 33ft
- Anchor Winch- 80T
- Link Belt Crane- 50T & 80ft boom

Performance

- Engines- 2 x 659HP YANMAR 6AYM-WST Diesel
- Power- 2 x 80 KVA Generators
- Cruising Speed- 8 Knots @1700 RPM MAX-10 Knots @1900 RPM
- Fuel Capacity- 8K US Gals

Wheelhouse

- Radar FUR 1940
- Compass Richie
- 2 x GPS Garmin 128
- 2 x VHF Radios - Controls Pneumatic 1 Station
- SSB FUR
- AIS Radio System

Capabilities

- Lifting & Anchoring
- Salvage Recovery & Removal
- Construction & Transport

Accommodation

- Cabins- 4
- Bathroom Facilities- 2
- Laundry Facilities- 1
- Kitchen Facilities- 1
- AC & Internet
- Living Capacity- 12 persons

SEA DOLPHIN

Workability

- Propeller Propulsion
- Crane Barge
- Steel Hull
- Anchor Winch & Crane

Main Details

- Deck Area- 1,650 sqft
- Length- 130ft
- Width- 33ft
- Anchor Winch- 80T
- Link Belt Crane- 50T & 80ft boom

Performance

- Engines- 2 x 450HP D353
Caterpillar Diesel
- Power- 2 x 75 KVA Generators
- Cruising Speed- 8 Knots @1700
RPM MAX-10 Knots @1900 RPM
- Fuel Capacity- 8K Gals

Wheelhouse

- Radar FUR 1940
- Compass Richie
- GPS Garmin 128
- 2 x VHF Radios - Controls
Pneumatic 1 Station
- SSB FUR

Capabilities

- Lifting & Anchoring
- Salvage Recovery & Removal
- Construction & Transport

Accommodation

- Cabins- 4
- Bathroom Facilities- 2
- Laundry Facilities- 1
- Kitchen Facilities- 1
- AC & Internet
- Living Capacity- 12 persons

SEA BASS

Workability

- Propeller Propulsion
- Crane Barge
- Steel Hull
- Anchor Winch & Crane

Main Details

- Deck Area- 1,650 sqft
- Length- 130ft
- Width- 33ft
- Anchor Winch- 80T
- Link Belt Crane- 50T & 80ft boom

Performance

- Engines- 2 x 450HP D353
Caterpillar Diesel
- Power- 2 x 75 KVA Generators
- Speed- 8 Knots @1700 RPM
MAX-10 Knots @1900 RPM
- Fuel Capacity- 8K Gals

Wheelhouse

- Radar FUR 1941
- Compass Richie
- GPS Garmin 128
- 2 x VHF Radios - Controls
Pneumatic 1 Station
- SSB FUR

Capabilities

- Lifting & Anchoring
- Salvage Recovery & Removal
- Construction & Transport

Accommodation

- Cabins- 4
- Bathroom Facilities- 2
- Laundry Facilities- 1
- Kitchen Facilities- 1
- AC & Internet
- Living Capacity- 12 persons

DIVE SUPPORT SERVICES

Services Include:

- Diving Support Services (Surface Supply)
- Emergency Response Services
- Anchoring Equipment
- Transport of Passengers
